Degree Planner Instructions: As you complete your degree, record the grades for each course in the appropriate sections below, noting that some sections may have additional instructions on how to record grades for courses that satisfy more than one requirement. Complete the course 'Type' column using the following codes: **EN** – course completed at WCU; **TR** - course completed at an institution other than WCU; **EX** – course completed by an exam such as CLEP; or **IP** – course in which the student is currently enrolled.

Electrician (Electrical Technology), AAS

Electricians install, maintain, and repair electrical power, communications, lighting, and control systems in homes, businesses, and factories. With around $80 billion in announced and proposed industrial projects along the Sabine-Neches Waterways, electricians will play an integral part in supporting the industrial growth.

The Electriciation (Electrical Technology) Associate of Applied Science is designed to be fully stackable with the basic and intermediate Electrical Technology certificates. Students will pursue National Center for Construction Education and Research (NCCER) certifications upon completion of the basic and intermediate certificates before completing the AAS program. Job-specific training will focus on electrical safety and tools, residential wiring, commercial wiring, and transformer repair and maintenance skills.

Program anticipated to begin fall 2025.

First Semester

Course Name	Credits	Substitute	Term	Grade	Type
ELPT 1411 - Basic Electrical Theory	Credits: 4				
ELPT 1321 - Introduction to Electrical Safety	Credits: 3				
ELPT 1325 - National Electrical Code I	Credits: 3				
ELPT 1329 - Residential Wiring	Credits: 3				
OSHT 2401 - OSHA Regulations	Credits: 4				

Semester Hours: 17

Second Semester

Course Name	Credits	Substitute	Term	Grade	Type
ELPT 2325 - National Electrical Code II	Credits: 3				
ELPT 1445 - Commercial Wiring	Credits: 4				
ELPT 1357 - Industrial Wiring	Credits: 3				
ELPT 2437 - Electrical Planning and Estimating	Credits: 4				

Semester Hours: 14

Third Semester

Course Name	Credits	Substitute	Term	Grade	Type

INTC 1457 - AC/DC Motor Control	Credits: 4				
ELPT 2264 - Practicum-Electrical and Power Transmission Installation/Installer, General	Credits: 2				
ELTN 1443 - Electrical Troubleshooting	Credits: 4				
Choose One:					
RBTC 1401 - Programmable Logic Controllers	Credits: 4				
OR					
ELPT 2423 - Transformers	Credits: 4				

Semester Hours: 14

Fourth Semester

Course Name	Credits	Substitute	Term	Grade	Type
ENGL 1301 - Composition I	Credits: 3				
• Social and Behavioral Sciences **Credits:3** *Choose One:* • College Algebra MATH 1314 *OR* Contemporary Mathematics (Quantitative Reasoning) MATH 1332 **Credits:3** *Choose One:* • Language, Philosophy, and Culture *OR* Creative Arts **Credits:3** *Choose One:* • Learning Framework - EDUC 1300 *OR* Approved Elective **Credits:3**					

Semester Hours: 15

Total Program Hours: 60

General Electives: Use this section to record general elective courses needed to complete the degree.
